#### The Small Print

All orders are subject to Select Solar Ltd standard terms and conditions. Placing of orders confirms acceptance of these conditions with no exceptions. For copies of our terms and conditions either download them from our website or call us. We reserve the right to change the prices and details without prior notice. Trade prices exclude VAT at the current rate, unless otherwise stated. Whilst we have made every effort to make this list as comprehensive as possible, please ask should you have a query or specific request.

Please note new addresses.

Warehouse Address: Waterpark Storage, 4 Ermin Way Barns, The Street, Latton, Wiltshire, SN6 6DN.

Registered Office and Accounts: Mauley House, Top Road, Kempford, Gloucestershire, GL7 4EG.

#### Volumetric Weight

Should a potential shipment be large and bulky yet light in weight, it is important to establish the 'Volumetric Weight' of the package. This is achieved by first calculating the volume of the package in cubic centimetres and divide this by 6,000 to give the volumetric weight in kilograms. Transport and postal companies will charge us based on the greater weight of either actual or volumetric.
