DELIVERY CHARGES

Transport and Postal companies will charge us based on the volumetric weight or actual weight whichever is the greater.

The volumetric weight has been restricted to two different sizes whichever is the smallest for shipment. They are

- * 50 x 30 x 30cm high
- * 100 x 60 x 60cm high (we will notify you if your order reaches this size)

Prices are based on standard delivery terms. Traders can request express services but will charged additional rates.
